

Kathmandu Symposia on Advanced Materials - 2018 (KaSAM - 2018)

October 26-29, 2018, Kathmandu, Nepal

Poster Presentation

Scientific ideas, experimental results and findings can be presented in poster form in recommended size (Width: 80 cm and Height: 100 cm).

The contents included in the poster should be clearly described so that it is easily understood.

The components of poster may include Title, Abstract, Introduction, Experiment, Result and Discussion and Reference.

Please Consider following things for poster presentation;

- Do not include too many texts.
 - Put only relevant introduction.
 - Mention the reference properly.
